

PROCESSING A DVLA CHECK CODE

When we request a DVLA check code, you do not need to process it yourself as we do this on your behalf. However, fleet clients or others who carry out regular independent licence checks may find this guide useful after using our Generating a DVLA check code guide.

Visit the DVLA website

Go to gov.uk/check-driving-information and click 'start now'

Enter your details

Add the last 8 characters of the driving licence number and DVLA check code, then click 'check licence'

View and save the summary

Click 'save or print a copy' - share any changes with us and diarise to repeat the checks in future
