Road safety week

QMTCOMMERCIAL
INSURANCE BROKERS

Why it matters

Every year, thousands of lives are lost or changed due to road incidents.

This week, we're spotlighting simple actions that can help to save lives.

Don't drive distracted

Put your phone away and stay alert.
One glance can change everything.

Look out for bikes
& pedestrians

Slow down near crossings
and cycle lanes. Share the
road with care.

Speed limits save lives

Driving just 5mph over the limit can double the risk of fatality in a collision.

No excuses

Alcohol and drugs impair judgment. Always choose a safe way home.

Check your vehicle

Tyres, lights, brakes - regular checks reduce breakdowns and accidents.

Get involved

Host a safety talk, share tips (or this carousel) or support local campaigns. Let's make roads safer together.
